

A photograph of a row of three-story townhouses. The houses are made of brick and stone. The first house on the left is made of light-colored brick with a balcony. The middle house is made of red brick with white horizontal stripes. The house on the right is made of light-colored stone with a crenellated roofline. A blue car is parked on the street in front of the houses. A person is standing near the entrance of the stone house. The sky is clear blue, and there are trees in the foreground and background.

A young girl with curly hair, wearing a white long-sleeved top with sheer, sparkly sleeves and a vibrant, multi-colored (rainbow) skirt with a gold belt, is holding a wooden pickleball paddle and a green pickleball. The paddle has the brand name 'DILLER' and a logo for 'PICKLEBALL INC.' on it. She is standing outdoors on a paved area, possibly a street or park, with a crowd of people and trees in the background. The scene is brightly lit, suggesting a sunny day.
